

Assemblymember Al Muratsuchi invites you to a

# CHILD ROAD SAFETY EVENT

Saturday, June 30 | 9 a.m. - 12 p.m. | West High School – Parking Lot | 20401 Victor St., Torrance

You're invited to a

# Child Road Safety Event

Saturday, June 30 | 9 a.m. - 12 p.m.

**Is your child's car seat installed correctly?** It is estimated more than 85% of all car seat are improperly installed. Don't miss out on this free opportunity to have your child's seat checked by certified California Highway Patrol technicians.

**Did you know that millions of Americans ride bicycles, but fewer than half wear bicycle helmets?** Annually, 26,000 kids experience head injuries in bike accidents—wearing a properly fitted helmet every time you and your children ride is one important prevention method. At this Child Road Safety Event, children are encouraged to bring their bikes and helmets for a safety check by the South Bay Bicycle Coalition and the Beach Cities Cycling Club.

This event will provide tips on bike safety and safe routes to school, and is also a great opportunity to discuss any legislative issues or idea you may have.

**If you are interested in a car seat inspection, please set up an appointment with the District Office.**

For more information or to RSVP, visit [asmcd.org/hv](http://asmcd.org/hv) or call (310) 375-0691
